POSTAGE

Prices quoted against each item **DO NOT** include postage. Instead, the weight in grams is printed after each price and postage is calculated by referring to these tables. For UK orders: most small orders will be **Large Letter** size. Royal Mail have announced price increases from April 2011, but the details are not yet available. Please check the Royal Mail website for updated prices or add 10% after April. Any order that involves more than 3 items, or weighs more than 500gm, will be a **Packet**. If you use a Credit/Debit Card, we can deal easily with the postage. If you send a cheque, add up what you think the postage will be, add a pound, and you can make the cheque out for "*Not more than X pounds*" **leaving the figures blank**. We then work out the exact sum, fill in the cheque and bank it, and send your order. We do try not to cheat you. Any overpayments (from exact-amount cheques) go into Society funds or are refunded as Credit Notes. Maps sent in tubes (see back cover) are **ALWAYS Packets**; the postage rates for maps include the cost of the tube. Please don't try to guess weights for maps. These postage rates are applicable as at January 2011.

PAYMENT / ORDERING

Please order from this list **ONLY** and **DISPOSE** OF previous lists. Books which disappear from one list to the next are **UNOBTAINABLE** so please do not try to order them. Book prices are subject to increases at any time. The new price takes effect immediately, so you may be invoiced for the balance. Price changes are notified in subsequent Journals. Please amend your Publications List **regularly**.

UK Cheques should be made payable to:

ABERDEEN & N.E. SCOTLAND FHS
